## Booking Conditions:

1. The contract made when you book is between the hirer (you) and the owner (Struthan Cottages). The hirer agrees to ensure that all occupants abide by these booking conditions.
2. Full instructions will be forwarded to you on receipt of the final payment, including directions to the property, arrangements for obtaining keys, and local contact point in the event of problems.
3. The hirer agrees:
  - i) to be responsible for, and take reasonable care of the property during the let.
  - ii) not to smoke indoors.
  - iii) to make good any loss, breakage or damage caused and to notify the owners of such damage.
  - iv) to leave the property at least as clean as it was on arrival, and to return all items to their original places.
  - v) to permit the owner or his representatives to enter the property at any reasonable time to carry out needed repairs.
  - vi) that the number of persons staying shall not exceed the maximum number advertised for the property without the owners' consent prior to arrival.
  - vii) not to camp. Light outside fires or pitch tents in the garden ground.
  - viii) to read the information supplied about the property and comply with instructions therein.
4. Well behaved Pets are allowed. However, any damage or soiling to any of the property, fittings or contents caused by pets, will be paid for by the hirer, at a value set by the owner. The hirer is expected to provide bedding and food bowls for the pet and to keep them off furniture and bedding. Pets should never be left unattended in the property, left to roam freely outside, soil the garden ground or allowed to be a nuisance to persons or livestock nearby.
5. Reserved Dates (shown on our Availability chart on the website in blue) will only be held for a few weeks. A Deposit is required in order to confirm your booking. Please note that the deposit paid when booking is non refundable. The balance is due 4 weeks prior to the booking. If the balance has not been paid within the 4 week time period, the owner reserves the right to cancel the booking and to re-advertise the property as available for let and also to accept an alternative booking. In event of the hirer cancelling the booking within this time for any reason, after having paid the balance, the owner agrees to re-advertise the booking in an attempt to re-let the property. If the owner is successful in re-letting the property to another client, the owner, at his discretion, will reimburse the balance (or part of the balance if the property has to be re-let at a reduced amount). Please note that if the property cannot be re-let, the balance will not be refunded. It is strongly recommended that the hirer takes out a travel insurance policy

with a cancellation clause, which may entitle the hirer to recover non-refundable money paid out. The owner does not hold cancellation insurance.

6. The hirer is responsible for keeping to the times specified by the owner for entry to and leaving the property.
7. In the unlikely event that the property is unavailable for a reason out-with the owners control (eg fire damage or any other reason) then all money paid will be refunded . However, no further liability will fall on the owner. In no event whatsoever shall the liability of the owner exceed the rental paid.
8. The hirer agrees to bring any problems to the attention of the owner or his representatives as soon as possible in order that a remedy can be attempted. This includes technical, plumbing, electrical or any other safety related issue.
9. Customer details essential to manage the lets are kept on a computer. The owner commits to keep this data secure, and not to share it with any third party.
10. Every effort is made to ensure all aspects of the property are as advertised. However, no liability will be accepted for items outwith the owners control, eg flood, drought, war, terrorism, power cuts, weather, travel operators nor for any injury or loss on the premises. Safety information and equipment is provided within the property, and those staying are deemed to have read the safety information on arrival. For clarity, the hirer is responsible for their own safety during the time of their stay. The owner's safety liability is discretionary and shall not exceed the rental paid.
